

**LILEC 2021**

**Workshop: Doing syntactic typology ...**

**Geoffrey Haig**

**Task 2:**

- Download the ELAN file 'northern\_kurdish\_lilec2021'
- If Elan asks to open a media file, cancel and it should just open the annotation file
- Go to the utterance units (see tier 'Utterance ID') numbers 0027 and 0028
- The cells in the GRAID tier are marked '1XXX', '2XXX' etc.:
- Fill in these cells with the GRAID-annotation which you think is most appropriate.
